STITCHIN' TIMES

Volume 4 Issue 1

Scrap Therapy coming soon!!

Do you suffer from FSG (Fabric Scrap Guilt)? If so, you're not alone. Sign up for Scrap Therapy today. Scrap Therapy is a two-part program proven system to organize and use fabric scraps. The two parts consist of cutting workshops and quilt projects.

The Cutting Workshops get you organized. Scraps are cut into squares in three sensible sizes, then stored in special see-through storage bins for easy access.

Quilt project classes use the newly cut and organized fabric pieces in a variety of fresh patterns and projects. Watch your scrap stack shrink while converting scrap fabrics into usable quilts, table runners, bags, and much more!

The images below show the two projects that will be done in May. Scrap Therapy is a quarterly program. So get signed up now! Cutting workshops are \$12.00 and Quilt project classes are \$25.00.

Easter Basket Cake

RECIPE INGREDIENTS:

- 1-lb., 2.25-oz. box yellow cake mix
- 1-lb. container white frosting
- 1 cup shredded coconut
- Green food coloring
- Jelly beans and other Easter candy
- Pipe cleaners
- Ribbons

1. Heat the oven to 350°. Grease and flour a 1 1/2-quart stainless steel bowl. Prepare the cake mix according to the directions on the box. Pour the batter into the bowl. Bake for 70 minutes or until an inserted toothpick comes out clean.

2. Let the cake cool in the bowl for 15 minutes, then unmold it onto a wire rack and let it cool completely.

3. Turn the cake right side up and place it on a platter. Cut a circle out of the center of the cake, leaving a 1 1/2-inch border. Scoop cake out of the circle to form a 1-inch-deep crater. Frost the cake.

4. For the grass, add several drops of green food coloring to the coconut in a zippered plastic bag. Close the bag and shake it well (a good job for kids). Fill the crater with the coconut, jelly bean eggs, and the other Easter candy.

5. For a handle, arch two pipe cleaners over the cake. Wrap ribbons around the handle and tie a big bow in the center.
